He profiles recent channels and their sources, goes back to preliterate societies and the advent of monotheism and identifies as channels such figures as Moses, Solomon, Muhammad, Merlin, Nostradamus, Swedenborg and Edgar Cayce. Channeling in the Bible Rev Ted Ciuba, 2013-12 There's some other surprising things about channeling in the Bible... Like it can manifest in various ways, as it does in Hosea's fast lifestyle with wild women. The insignificant may channel, as Amos the shepherd. Isaiah is practically non-stop channeling. Channeling after channeling, oracle after oracle follow. There there's more than just the great Isaiah. Do recognize, from the opening books of Genesis and Exodus, in which Moses channels the word and will of the Supreme Being, through the final words of Revelation, which John receives while in the Spirit, the Bible is channeled material. It is clear, God speaks through channels... He has never spoken but by channels... You must read the Bible closely to know the truth, because when it comes to psychic phenomena, the Bible, and God, you've been intentionally misled. God, channeling through Hosea (Hos. 12.10), affirms the source of their messages: They channel me; it is me speaking to the psychics and prophets. I give them vision upon vision. I am the word of their parables and poems. Though much of what Moses does is properly termed magic, as when he waves his magic wand and commands rivers to part, he also channels the words and demands of that Cosmic Power of the Jews, Yahweh (YHVH). Find out what happens when Isaiah channels words to a king that do NOT come true, and what that might mean to you. Seers, prophets, channelers, psychics, artists and writers are metaphysical transformer stations, receiving high voltage transcendent impressions from God and converting them into messages suitable for the people of their time and locale - and beyond. They have been described, for those tuned to the language of neuroscience, as accumulation-distribution stations. Channeling is the quintessential psychic art, pervasive, and an accompaniment of the spirit-filled life. It's not just a message, it's an adventure. When it comes to psychic phenomena, the Bible, and God, you've been intentionally misled. This series is not to call down present blame on our forebearers' sins, but to wake you and help you come to your senses. You live in QuantumCosm, in which even science posits it is a spiritual, holographic universe. Channeling In The Bible is volume 3 of 7 in the Psychic And Paranormal Phenomena In The Bible Series.
