Mrs. Oswald Chambers Michelle Ule, 2017-10-17 Among Christian devotional works, My Utmost for His Highest stands head and shoulders above the rest, with more than 13 million copies sold. But most readers have no idea that Oswald Chambers's most famous work was not published until ten years after his death. The remarkable person behind its compilation and publication was his wife, Biddy. And her story of living her utmost for God's highest is one without parallel. Bestselling novelist Michelle Ule brings Biddy's story to life as she traces her upbringing in Victorian England to her experiences in a WWI YMCA camp in Egypt. Readers will marvel at this young woman's strength as she returns to post-war Britain a destitute widow with a toddler in tow. Refusing personal payment, Biddy proceeds to publish not just My Utmost for His Highest, but also 29 other books with her husband's name on the covers. All the while she raises a child alone, provides hospitality to a never-ending stream of visitors and missionaries, and nearly loses everything in the London Blitz during WWII. The inspiring story of a devoted woman ahead of her times will quickly become a favorite of those who love true stories of overcoming incredible odds, making a life out of nothing, and serving God's kingdom.

A Morning Thought Devotional Diane K Hiltz Chamberlain, 2014-07-28 A Morning Thought Devotional is a series of daily devotionals that inspired the author, as she faced insurmountable pain and heartache throughout her life. The devotions are truly inspired by God and will allow you to connect with a God of love and strength, rather than standing face to face with a weak circumstance. Are you facing uncertain moments of pain and heartache in your life? Are you struggling to just make it through one day? "A Morning Thought Devotional" will become a morning devotional that will help you to start your day, with words of hope...words that will become strength to you, while carrying you over the obstacles of a trying moment or difficult day. There are 70 powerful devotions in this book that are truly inspired by God and were first used, to inspire the

author, during her own difficult moments of pain and heartache. The devotions will bring the negative thoughts and feelings to light; where you can feel the presence of God, rather than the weak moments that stand before you. Diane has come to see within her own life; that these weak moments we experience, are not only meant to afflict us but to lead us further away, from the peace and joy that is only found through Jesus Christ. But at the same time, when we apply words of hope, to a deceitful thought...brought about by evil; then the light of God's presence begins to illuminate the darkness around us, which once more gives us the sustaining hope we need, to walk out of a circumstance...to a place of peace and renewal. As you read the devotions, in "A Morning Thought Devotional;" you will soon find that these inspired words become tools; that will help to cultivate the heart, while bringing about new and lasting growth. Even though we live in an imperfect world and we face obstacles and challenges in life; that doesn't mean that they are meant to take us to a place, where they can destroy us but rather, they are meant to strengthen us, in a way that will help us to overcome other obstacles that we may face in life and this is what you will discover, as you read each devotion, in "A Morning Thought Devotional." "A Morning Thought Devotional," can be used for a specific need or as a book of daily readings and will become one of the best motivational books that will bring hope back into your life, after reading each new day devotional. Come and check out one of the best inspirational books that are truly inspired by God.

Real Life Devotions Eric Rasmussen, 2019-04-23 *Real Life Devotions* is just that. They are inspired from Eric's actual life, either from physical experience of things he took part in or saw or that he was very aware of. The idea came from the Holy Spirit and was sparked as he read devotions, realizing, "I have a story for that!" "I have a story for that too!" It is a very easy read, short for each day. Why forty? Jesus went into the desert for forty days and nights. God made it rain for forty days and nights. Forty is very significant in the scripture. Forty is the number of testing and of probation that results in a breakthrough. The author's prayer is that you may have testing and breakthrough during and after reading and practicing this devotion and reading it and practicing it in future times.

The One Year Praying in Faith Devotional Chris Tiegreen, 2021-11-09 The faith journey can be hard, but it doesn't have to be. Abraham, Joseph, David, Paul, and even Jesus himself—all heroes of the faith who experienced both the soaring grace of answered prayers and crushing sorrow when God seemed unwilling to respond or too far away to hear. And yet, even in the darkest times, God was working, writing an unseen story of redemption that would save the world. When we pray, how do we see beyond the immediate and into the eternal? How do we know when to keep praying and when to give up; when to consider something a promise from God and when to recognize that it was from our own imagination? Why does silence from God rarely mean no and almost always mean come closer? *The One Year Praying in Faith Devotional* answers these questions and many more, taking you through a 365-day journey that will help you experience a prayerful relationship with God like never before.

Women of Purpose Sara Daigle, 2018-04-03 100 days of scripture-based devotions for an intentional and abundant life rooted in Christ Why do some women seem deeply rooted in peace and joy—even in difficult circumstances—while others of us struggle daily with feelings of dissatisfaction, worthlessness, or anxiety? Being a Christian doesn't mean we're exempt from pain and suffering—but it does mean we are called to a higher purpose and can claim the gifts of the abundant life that Jesus promises. Sara Daigle is passionate about sharing a message of deliverance, freedom, and ultimate love with women from all places and walks of life. Her passion gave birth to this book composed in devotional form with a Bible verse and prayer for each day, focused on leading women out of the labyrinth of their own thoughts into a higher identity and value found in Christ. For those facing uncertainty and life changes, Sara reminds us that Jesus has “come to bring abundant life that doesn't end when one season flows into the next before you catch your breath.” For those who look around and see women who are prettier, more accomplished, better moms, or even “better” Christians than they are, we are shown that “There is no joy fuller than living out exactly what He's gifted us in without comparison to another.” Readers will resonate with Sara's authentic voice, honesty about her own struggles, and the wisdom that comes through hard times and a rich relationship with God. This devotional is geared to bring even the busiest of women into daily intimacy with God. It is written to help each heart know they are not alone, but destined for a life of meaning, identity, and purpose in union with a Creator God who designed each of us just as we are.

DEVOTIONAL FOR THOSE COPING WITH TRAGEDY Terry Overton,2018-05-10 This devotional book follows the author's own faith journey back to God. Significant life events can shake our world and distort our faith. Following life's tragedies, a common reaction is to become angry with God or to reject Him altogether. Examples of tragedies or traumas include life-changing events such as physical or sexual assault, destruction of one's home, the tragic death of a loved one, diagnoses of terminal diseases, divorce, miscarriages, or being a victim of a crime. Tragedies or traumas can cause feelings of anxiety, depression, shame, and guilt. After major tragedies, an individual may be locked in an unhealthy pattern of behavior due to depression and anger. Peacefulness is not within the heart of a person having difficulty with the aftermath of a tragedy. Getting past the event may take years and be fraught with sadness. In this devotional book, the reader will be able to assess their own progress along the pathway back to God. Explanations of the relationship of anxiety, depression, shame, and guilt are provided. Although there are many self-help therapeutic books and resources, this devotional book presents suggestions for coping with tragedies and regaining faith. Along each step of the journey, meaningful Scriptures are provided to help the reader connect back to their faith and to become closer to God.

Our Daily Bread Martin Ralph DeHaan,Andre Bustanoby,1959-07 Meditations with a rich spiritual tone. A favorite daily 365 devotional volume. Topical index.

The Devotional Life Patrick Oben,2018-03-10 This book is not a daily devotional. Rather, it is an in-depth review of what the devotional life entails.Its primary purpose is, therefore, to give you a thorough scriptural understanding of the what, how,

when and most especially the why of the devotional life. For many Christians today, a devotional is almost equivalent to reading a piece of inspiring scripture or Christian writing each day from their favorite ministry. While the devotional always involves daily scripture reading and sometimes a devotional piece of writing, there is more to the devotional life than these. A paradoxical truth is that many believers do not fully understand what a devotional really is though many do have some form of regular devotions ever so often. Well, this is the spiritual knowledge gap this book is seeking to fill. There is nothing that will impact your spiritual life as a habit of spending time with God on a daily basis. Yes, I mean there is nothing that has this practical ability to impact your intimacy with the Lord to the degree that a personal life of the Word and prayer will do. Interestingly, there are few things in our lives that are facing the pressure of life's demands to the point of near-extinction like our daily time with the Lord. As a Minister, I have seen the deplorable struggles of so many Christians with their spiritual lives. They love the Lord but are just living in a dry place, struggling day-by-day to keep up with the Christian life. For many, it is a daily struggle, without results. One believer told me she knows what the Lord wants her to do but she just cannot help it. I vividly remember an online comment I read from a frustrated believer who said(paraphrased) I just cannot understand Christianity. I do not seem to relate to the experiences that I read in scriptures or what others are saying Christianity appears to be a spiritual scam to him. He loves the Lord but the promises of the Christian life seems to be a distant reality. Is this what the Lord intended the Christian life to be? Certainly not. As you will read in *The Devotional Life: Your Key to a Spiritual Life with Results*, there are no shortcuts to a healthy and fruitful spiritual life. The secret to a blissful Christian life is your practical relationship with the Holy Spirit on a day to day basis which is built upon a solid foundation of spending time with Him in the Word and in prayer. Something happens inside of us in the presence of the Lord. And if believers will overcome the pressures of life to develop a healthy devotional life, the rewards will be overwhelming. As a Physician, I understand the value of proper nutrition for the health and vitality of the body. I will show you how the Word of God, as spiritual food, is crucial for your spiritual health and vitality. In fact, the struggles of many Christians today are due to what I call spiritual malnutrition. This occurs when the Word of God is not where it should be and/ or not doing what it is meant to do. Some might have an excellent head knowledge of the Word but have no results to show as the Word is not where it has to be and not working in their lives as it should. But first, I will show you why less time is not the main reason why many believers are struggling so desperately to maintain a healthy devotional life. There are a few other reasons which are not so obvious. My prayer is that as you read through this book, the Lord will stir up in your heart a fresh and holy hunger to spend time at His feet hearing His Word and talking with Him and to see for yourself the practical consequences of spending time with the Lord.
