Man Who Collected Himself Gordon Torr,2015-09-25 For ghost-writer Colin Wison it's the commission of a lifetime - to invent a biography for the reclusive Swedish pharmaceutical billionaire Finn Fellin, now on his death bed. The brief: to make Fellin's life sound like the most extraordinary life ever lived. Money will be no object; and no subject - no matter how bizarre, salacious or fanciful - is off limits. There's just one catch: Colin is recovering - at a luxurious London psychiatric clinic known only as The Institute - from a mysterious incident that has robbed him of all his memories. With no recollections of his own past to draw from, he begins to plagiarize the stories he hears from fellow patients to populate the Fellin biography.

Things We Forget J. J. Penn,2013-10-01 Sometimes the most important things in life are the ones we forget. This inspiring collection of hand-drawn notes began with a simple premise: It's worth remembering what's most important in life, even when you can't see the bigger picture. From his very first note, written hastily in the backseat of a taxi for the benefit of the next passenger (it said "Never give up"), J. J. Penn has inspired both passersby and devoted online fans with his uplifting and quirky reminders. Every day since then, Penn's simple notes, created with nothing more than a pen and a sticky pad, have been photographed and then left in public—on a park bench, at a bus stop—anonously and hopefully, to spread a little goodwill and brighten someone's day. Collected in book form, they serve as a heartfelt reminder about what matters most.

I Am a Cat Galia Bernstein,2018-02-06 A simple housecat named Simon encounters some bigger cats: Lion, Puma, Panther, Tiger, and Cheetah. Each of the big cats has something to say about Simon not being "cat" enough. According to them, he just doesn't measure up. He doesn't have Lion's mane or Cheetah's spots. He doesn't sleep in trees like Panther or climb mountains like Puma. He's small and fuzzy, not big and strong. But ultimately, Simon shows the big cats that he's just like them . . . only smaller. A celebration of both individuality and community, *I Am a Cat* is a strong debut that shows we're all more alike than we think . . . if we look closely enough.
