Let's Not Talk Anymore Weng Pixin, 2021-06-22 A five-generation family history told through what is seen and heard, if not said Let's Not Talk Anymore weaves together five generations of women from Weng Pixin's family, each at age fifteen. Her lineage is full of breakages—her great grandmother Kuan is sent away from her family in South China, her grandmother Mèi is adopted by a neighbor to help with housework, and her mother, Bing, is heartbroken by her father's estrangement. Pixin's own story centers on her feelings of isolation and her rebellion from her mother. She extends the line by envisioning a fictional future daughter, Rita, who questions her family's legacy. While spanning one hundred years, Pixin moves back and forth in time seamlessly, as each woman experiences loneliness and kinship, hope and longing. As each story develops, generational traumas are revealed and fraught relationships passed on from mother to daughter. Creative impulses are stifled or nurtured. They struggle with poverty and neglect. And at some point each woman begins to separate herself from her situation and understand the woman she will become. Pixin's bold, vibrant paintings fill the aching silences between generations with beauty and emotion. Her paintings conjure complete worlds that these women inhabit. Let's Not Talk Anymore is a family history filled with tender moments as these women find connection with plants, animals, and their own creative pursuits, while struggling to connect with one another.

Girl in Pieces Kathleen Glasgow, 2016-08-30 #1 NEW YORK TIMES BESTSELLER A haunting, beautiful, and necessary book.—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. And don't miss Kathleen Glasgow's novels *You'd Be Home Now* and *How to Make Friends with the Dark*, both raw and powerful stories of life.
